Adam,

Thanks so much for the meeting yesterday. I will send you an update on BLM and CDFG permits as they are finalized in the next few weeks. I will also update you on the CPUC process for the addendum to the transmission EIR once I know more in the next week.

Happy Holidays.

Kerry

Dean and Kerry:

It was good to meet you both this morning, and thank you for coming in to give us some milestone updates for North Sky.

My business cards haven't come in here yet, so I wanted to also make sure you that you have my contact information (below). Also, my cell number, not included below, is 240.818.2113.

I'll be in touch, especially re: the permitting issues we discussed to make sure they're coming along as expected, but in the meantime, happy holidays!

Thanks,

Adam Schultz
