Hi Meredith,

Attached is the confidential version of the draft resolution for North Sky River.

Also, Sean Simon confirmed what I told you over the phone re: not having sent the resolution to the service list. We are modifying the policy here such that when there are no protests to the Advice Letter and when the resolution is approving the PPA without modification (as with North Sky), we will no longer be sending the draft resolution to the service list.

Let me know if you have any other questions.

Happy Holidays!,  
Adam

Adam,

Also, would you please send me the confidential version of the draft resolution whenever you get a chance?

Thanks again for getting the resolution out so quickly.

Happy holidays!
