Re: Substitute Sheet for SDG&E Advice Letter 2311-E

Please find enclosed the original and five copies of SDG&E's substitute sheet for Advice Letter 2311-E, "*Compliance with Resolution E-4425 Approving with Condition the Power Purchase Agreement for Procurement of Renewable Energy Resources between Arlington Valley Solar Energy II LLC and San Diego Gas & Electric*". The substitute sheet is being submitted to modify the "Protest" section of the advice letter to indicate a protest period that ends on December 27, 2011.

An asterisk has been reflected in the upper right hand corner of the Advice Letter to indicate that this is a substitute sheet. Please replace the enclosed sheet in the master Advice Letter 2311-E.

Sincerely,

Joff Morales
Regulatory Tariff Administrator

Attachment A: Pseudo Participating Generator Agreement between AVSII and the CAISO dated October 12, 2011.

Attachment B: Amendment No. 2 to the Interconnected Control Area Agreement between the CAISO and the Salt River Project Agricultural Improvement and Power District ("SRP") with an effective date of November 12, 2011.

Attachment C: Confidential Letter from AVSII to SRP regarding Balancing Area Services dated November 14, 2011.

CONFIDENTIALITY

In support of this Advice Letter, SDG&E submits in Attachment C Confidential Material in the manner directed by D.08-04-023 and the August 22, 2006, Administrative Law Judge's Ruling Clarifying Interim Procedures for Complying with D.06-06-066 to demonstrate the confidentiality of the material and to invoke the protection of confidential utility information provided under General Order 66-C. A Declaration requesting Confidential Treatment is being filed concurrently with this Advice Letter.

EFFECTIVE DATE

In accordance with General Order 96-B, because this Advice Letter is being submitted as a Tier 1 filing, it is effective pending disposition.

PROTEST

Anyone may protest this Advice Letter to the California Public Utilities Commission. The protest must state the grounds upon which it is based, including such items as financial and service impact, and should be submitted expeditiously. The protest must be made in writing and must be received by December 27, 2011, twenty days from the date filed. There is no restriction on who may file a protest. The address for mailing or delivering a protest to the Commission is:

PROTEST

The filing of a supplement does not automatically continue or reopen the protest period or delay the effective date of the advice letter. The Energy Division may, on its own motion or at the request of any person, issue a notice continuing or reopening the protest period. Any new protest shall be limited to the substance of the supplemental filing.²

The original Advice Letter was not protested. The subject matter of the instant Advice Letter is non-substantive, that is, SDG&E is only providing copies of requested documentation to the Commission. SDG&E therefore respectfully requests that the protest period not be reopened. However, if the protest period is reopened, the protest must state the grounds upon which it is based and should be submitted in accordance with the direction provided by the Energy Division. The address for mailing or delivering a protest to the Commission is:
