(Filed March 22, 2010)

**NOTICE OF *EX PARTE* COMMUNICATION
OF PACIFIC GAS AND ELECTRIC COMPANY**

Pursuant to Rule 8.4(a) of the Commission's Rules of Practice and Procedure, Pacific Gas and Electric Company (PG&E) hereby gives notice of the following ex parte communication. The communication occurred on Friday, December 9, 2011, at approximately 2:30 p.m. by telephone to the offices of California Public Utilities Commission. The communication was oral. [(Rule 8.4(a))]

John Hughes, Director-Regulatory Relations, PG&E, initiated the communication with Scott Murtishaw, Advisor to Commission President Michael R. Peevey. [Rule 8.4(b)]

Mr. Hughes called Mr. Murtishaw to discuss the Proposed Decision's (PD) adoption of PG&E and TURN's methodologies for calculating the Schedule ET Master Meter Mobilehome Park (MHP) rate discount. Mr. Hughes said that a very complete record was developed on this issue during the proceedings. He stated that two complete days of hearing were devoted to the subject and there is ample justification to support lowering the discount from \$11.54 to \$2.40.

Mr. Hughes stated that both Southern California Edison (SCE) and San Diego Gas & Electric (SDG&E) MHP discounts are significantly lower than PG&E. He added that when

comparing residential marginal costs, PG&E's MHP discount should be lower than either SCE or SDG&E. [Rule 8.4(c).

Respectfully submitted,
