Subject: gas distribution pipeline safety report

Hi Laura, Under the last PG&E General Rate Case Decision, D.11-05-018, Ordering Paragraph 44, PG&E is required to submit a semi-annual gas distribution pipeline safety report with the CPUC Energy Division and Consumer Protection and Safety Division. As far as I can tell, the decision didn't specify a due date for the first report. I don't recall seeing such a report yet from PG&E. Has PG&E submitted such a report? If not, when will PG&E submit the first report? Thanks.
Richard
