Let's do coffee or lunch soon. The next few weeks are insane for me but we should be able to find a time somewhere.

Doris can help find a time that works.

Thanks.

Ed

I keep seeing you from afar but haven't been able to catch you in person. Congratulations on the ED position! Seems like a very good match, and I hope you are enjoying it so far.

I'd like to get on your calendar for coffee or lunch sometime that's convenient, just to reconnect. I am enjoying being back in CA and am trying to get used to being in an organization that's larger than I can even imagine. (I'm a director of regulatory relations at PG&E now, working on gas regulatory issues.)

Let me know if you can carve out some time in the next few weeks and we'll get it scheduled.

Thanks!

Laura
