LOL!!! You don't need no stinkin' team! You do the work of a team by yourself! But, I would like you to arrange for me to see a hydrotest. ;)

Good. I have a team standing by to address this issue.
Not.
But let's get it taken care of.

Sounds good re: March lunch! I had fun too - and it really did not seem like it was two and a half hours!

Re: that check we talked about, my records show that it was made out to PG&E, but there's a nagging feeling in the back of my mind about Valerie so I've sent her an email asking if she remembers giving it to PG&E or if I made it out to her or something.... Will keep you posted as matters develop on this hot topic! ;)

Subject: Fun!

Hey you two -- what fun I had today in our extended lunch. Thanks so much for taking the time!
On the way back I felt like I had just had a therapy session, and that's a good thing. Reminded me of how much I need that kind of "hair down" friendship.

I'll work on our next date -- March at least, ok?

Thanks again.
