Michelle

Well, as luck would have it, Nick is no longer available Thursday and Roland wasn't available during the day anyway and so I need to push the reset button on this one.

Sorry! The following week is also bad for them, so I will circle back to you when I get some other options for your consideration.

At least I'll see you Thursday night in Palo Alto, and Roland will be there too (as well as Kent Kauss and I don't know who else from PG&E).

The challenges of scheduling never lessen, it would seem.

Thanks again for working with us on this.

Hi Laura- How about 11:00? Is the plan for Nick and Roland to come here?

**Subject:** Nick, this Thursday?

Just wanted you to know that Nick is available this Thursday in the 11-2:30 timeframe (right now at least!) and I wondered if you had any time.

Not trying to be a pest, just mindful of scheduling constraints.
