Subject: My February check in

Hi Mark --

January went just as fast as December did, right? Sure seems that way here.

I think the last time we talked about the CPIM audits you thought the first two could come out by the end of February. Does that still seem feasible?

Erik Jacobson is in Hawaii. Can you believe that? I hope he feels that the trip was worth how hard he worked to get ready to leave. But perhaps we could have another lunch later in February? There are always interesting and helpful things to discuss.

Hope you are well.

Thanks

Laura
