Subject: Plat Map Information

Michelle,

Attached is the spreadsheet with the missed leak survey dates by Plat Map. The GasOps folks will be sending a more formal update either later today or Monday, but will be attaching this same sheet. They will also be giving you progress on leak repairs, noting the Antioch/Pittsburg split, and giving you more formal notice on totals (1127 services, 15 plat maps with missed dates, 13.72 miles).

Let me know if you have questions.

Shilpa
