Other than Monday and Friday, any of the other days would work for me. My preference would be in the afternoon on the 18th.

Michelle, Julie, Sunil,

When you get a chance, please let us know what time/date works for you to discuss H-forms next week. I recognize you are very busy, but want to ensure we are aligned on H-forms so the pressure restoration process can be more efficient next time.

Thanks.

Shilpa

Subject: H-Form Followup

Michelle, Julie, Sunil,

We wanted to follow-up with you on the use of the H-form and applicable portions of the form to specific tests. This was noted in the CPSD's review of the L101/147/132A pressure restoration filing. We are in the process of revising to address concerns you brought up and to increase efficiency.

We'd like to meet with you the week of January 16 to discuss, and get on the same page well-ahead of our next pressure restoration request scheduled to be filed in March.

The afternoon of the Jan 18th and 19th seem to work best, but we are open to other options that week.

After you return from holiday vacations, can you let us know what dates/times work for you so we can calendar?

Thanks.

Shilpa
