In the above Data Request & Response, PG&E did not provide sufficient information. Staff needs PG&E's patrolling procedures back to January, 2000, or as far back as you have the records. Staff informs me that PG&E did its last class review (before the Willbros review in 2010-2011) in 2004. Please contact me at your convenience if you have any questions. Also, please give me your response at your earliest reasonable opportunity. Thank you.
