Shilpa,

We look forward to the meeting. By the way, is it possible for us to receive any of the subject materials for review in advance of the meeting?

Thanks, Shilpa.

Sunil

And I'll let Ben weigh in on how much of the hydrotesting schedule is ready for 2012.

Thanks.

Shilpa,

Any idea if January 24th works on your end for the H-Form/Line 131 meeting? Also, has PG&E provided any schedules for hydro-testing occurring in 2012? If the entire 2012 is not yet available, we at least need the schedule for any testing planned between now and the end of

February.

Thanks, Shilpa.
