Dear PAC Members,

On behalf of the UC Berkeley Natural Gas Sensors group, I would like to reconfirm with you that our first technical PAC meeting of the year will take place on Monday 6th of February 2012, 1-2 pm PST. I will get back to you later this week regarding where to call in and how to stream the slides as we reconfirm which software will be used for this meeting.

We look forward to share with you our progress on the gas sensor project, and look forward to talk to you all on Monday.
