Subject: RE: SmartMeter

Okay. Most smb customers have had a digital meter for over a decade now, right?

Mariza - we have 6500 small business customers on the do not install list. These customers are not covered by the pending decision. Procedurally, we are going to file a Petition to Modify on Friday to allow these customers the ability to opt out. However, we are concerned that Peevey may not like us to do this. Can you check with Carol ASAP and let her know if she supports or is opposed to this idea ?
