Rulemaking 10-12-007  
(filed December 16, 2010)

**MOTION OF TORRESOL ENERGY FOR PARTY STATUS**

Torresol Energy respectfully moves for party status in this proceeding in accordance with Section 1.4 of the California Public Utilities Commission Rules of Practice and Procedure.

I. Torresol Energy's Interest In this Proceeding

This Motion for Party Status is filed in order for Torresol Energy to participate formally as an active party in this proceeding. Torresol Energy is a developer of concentrating solar power plants with integrated thermal storage whose interests will be affected by the rules adopted in this proceeding. Torresol Energy has developed and is operating several utility scale solar trough and power tower facilities with integrated thermal storage in Spain and is involved in developing this integrated technology for use in power plants and combined heat and power facilities in California. Torresol Energy is positioned to provide actual experience developing and operating storage systems and knowledge of the associated issues and barriers. Torresol Energy has been informally following this proceeding and by way of this Motion is also seeking the opportunity to participate formally.

## II. NOTICES

Service of notices, orders, and other communications and correspondence in this proceeding should be directed to Torresol Energy at the address set forth below:
