Thanks Laura. I will ask Joan to schedule a lunch for us.

Joan,

Would you please schedule a lunch for me and Laura? Thanks

February looks good -- doesn't it already feel like January is completely gone? Weird.

The 22nd, 23rd or 24th would all work for me. You pick a date and we'll at least get it on our calendars.

I know your schedule is always and understandably subject to change.

Thanks, and good luck this month!

Laura

Hi Laura,

Happy New Year to you and your family. I hope all is well with you. Lunch sounds good, but January is crazy. How about a day in the week of February 20th after the Commission meeting? Let me know.

Thanks

Sepideh

Hope you got a break from meetings and emails over the holidays. It already seems like January is rushing to a close.

I'd like to get on your calendar for coffee or lunch when you are available, simply to catch up. I know you are swamped, always. But would Friday the 20th be a possibility?

Or some other date toward the end of January?

Thanks
Laura
