Sadly, neither of these dates work. On to February!

Hi Sid,

I have received stronger confirmation for two of the dates in my last email. As you can imagine, calendars are filling up quickly. Hopefully one of the two dates will work for Matt Tisdale:

January 27: 10:00 AM-2:00 PM

January 31: 8:00 AM-5:00 PM (any four-hour block that works best)

Please propose these dates.

Thanks,
