Subject: RE: RPS PDSR: Verification of CPUC IDs

Hello Lauren,

I will be handling the CPUC ID's for these files. I will make sure that you get them back before February 1, with highlighted revisions per your request.

If you have any additional questions with regard to this information, or any future CPUC ID assignments (for RPS projects), feel free to call me directly at 415.703.3072.

Thanks again!

Subject: RPS PDSR: Verification of CPUC IDs

Cem and Robert -

Attached please find a project list of all projects that will be contained in PG&E's March 2012 RPS PDSR. Per our discussions, please verify and assign any necessary CPUC IDs. The columns I have included are the current CPUC ID we have, the IOU ID and

the Project Name for each project but let me know if you need additional data points in order to assign CPUC IDs. Also, please make sure to highlight any new or altered CPUC ID, as I will be updating our PDSR file *manually*. Since we've already starting drafting the PDSR, I'd like to get the updated CPUC IDs by February 1, 2012. Please let me know if this works for your workload.

Please let me know if you have any questions.

Thank you,
