Jason,

We will get that done.

Thanks,

Meredith

Meredith,

Can you have your legal team draft up a quick memo for our legal team and briefly state why the QF contract extension has to be filed as an application. I am trying to dig around and find out what the intent of the decision was that mandates that a renewable QF greater than five years be filed as an application. I believe the finding is in an LTPP decision but cannot be sure.

Thanks
