Subject: Waiving Condition Precedent in the Shiloh IV PPA

Meredith,

This morning you informed me of PG&E's intent to waive the condition precedent found in Sect. 2.5(a)(iv) of the Shiloh IV PPA so that the PUC can appropriately evaluate AL 3893-E via the Advice Letter review process without having to address the nine-year extension to an existing QF agreement.

I am assuming that you intend to formally notify the PUC of this in writing? Can you let me know your plans to do so.

Thanks,

Adam
