Hi John,

I'm pretty flexible and should be available next friday afternoon or early the following week, if you'd like to propose a time. I'll probably have two of my analysts attend as well -- go ahead and advise on a date/time, and I'll send out a meeting appointment.

Best,

Paul

First of all, Happy New Year. Hope all is going fine. I left you a voice mail but said I would follow up with email. We would like to meet with you or your representatives on the proposed advice letter that we intend on filing after we get a decision on Phase 3, the residential customer energy statement (RCES) issue. I have spoken with ALJ Pulsifer and he intends on issuing his PD on January 17 so the issue can be on the February 16 PUC agenda.

If possible, we would like to meet sometime next week, or at least sometime prior to the anticipated PUC decision date. Let me know what are good times to meet. Thanks in advance.
