No problem. We will try again soon. What is the big announcement? I am so quickly so out of the loop.

Darn it. We can't make it tomorrow night.
Our week got jammed up and larry had to schedule a meeting late tmrw and we won't have time to make the trip east.
I know you understand but I'm disappointed. These 10 days have gone so fast!
We will try again on a future trip, but ill likely ask for a rosa/dinner date before then.
Ill be at the commission mtg tmrw for the big announcement we anticipate.

Sorry for the last minute change!

Thursday night, we should be able to leave whenever. So leaving at 4:30 is definitely feasible. Let's just plan on that. Address for GPS purposes is Re
Redacted We'll try to be home by 5:30. Traffic can be a little unpredictable, but is mostly predictably slow.

Looking forward to a chance to talk with Larry – it's been a long while since I've seen him, and I think Pam only saw him across a crowded room at the CPUC 100 celebration about a year ago!

So what time Thursday, do you think?

I think I can leave the office by 4:30. So something like 5:30-6:00 window should be possible, right?

But perhaps you can't leave that early?

So it turns out that Wednesday is our annual homeowner's association meeting. Normally we skip them, but we have had a rash of burglaries recently in the neighborhood, so are thinking we should go. So ok if we stick with Thursday?

Thanks -- and it's no big deal if Wednesday can't work. Enjoy your weekend!

Let me check with Pam and get back to you. Wednesday

probably works, but I seem to recall something on the 11th but not sure what it was. I'll let you know as soon as we figure it out. In the meantime, have a good weekend and have fun in Davis.

Can't remember -- is next Wednesday a possibility for dinner instead of Thursday?

Larr has a meeting at Cal about a teaching gig (fingers crossed, but it's just a first meeting) and I thought perhaps I could come with him and we'd already be across the bridge . . .

If not, Thursday works!
