Thanks Sunil, were you able to reserve the conference room for an hour and half just in case we go over? (3-4:30) If possible, that would be best.

Shilpa,

I would be fine with a face-to-face; however, I would prefer to have the meeting at the CPUC. Assuming that works for Julie, I can check on meeting room availability on Tuesday morning and provide confirmation then.

Thanks, Shilpa.

Sunil, Julie,

Would one or both of you be open to a face-to-face meeting? As we've prepping to meet with you, we've realized there are more materials than we expected (and may be longer than an hour) and it would be more productive to meet in person.

The same time/date would work for us (Wednesday at 3). We could come to the CPUC, or if it is easier for you, I know our team would welcome you to the Walnut Creek office.

I also heard from Michelle that she is unavailable.

Please let us know your preference.

Thanks.

Michelle, Julie, Sunil,

When you get a chance, please let us know what time/date works for you to discuss H-forms next week. I recognize you are very busy, but want to ensure we are aligned on H-forms so the pressure restoration process can be more efficient next time.

Thanks.

Subject: H-Form Followup

Michelle, Julie, Sunil,

We wanted to follow-up with you on the use of the H-form and applicable portions of the form to specific tests. This was noted in the CPSD's review of the L101/147/132A pressure restoration filing. We are in the process of revising to address concerns you brought up and to increase efficiency.

We'd like to meet with you the week of January 16 to discuss, and get on the same page well-ahead of our next pressure restoration request scheduled to be filed in March.

The afternoon of the Jan 18th and 19th seem to work best, but we are open to other options that week.

After you return from holiday vacations, can you let us know what dates/times work for you so we can calendar?

Thanks.

Shilpa
