Commissioner Simon,

I just wanted to quickly give you a little more background about the hiring manager, etc. in case it might prove important:

[Redacted] the hiring manager for the position, conducted a short interview with me last summer when I applied for a full-time position that was ultimately put on hold because of the hiring freeze.

Doug instructed me to send him an email announcing my candidacy. [Redacted] responded Monday, saying that he was reviewing all the applications and would contact me in the near future if interested in bringing me in for another interview. I'm not sure if he has a different candidate in mind, etc. I'm hoping to learn more from Doug about this position, where things are in the process, and other opportunities coming down the pike.

Thank you!
