Subject: Submetering Protocol Roadmap Report Update

Happy New Year Submetering Protocol Project Team!

The submetering protocol roadmap report has been filed with the CPUC and to the AFV OIR service list. We understand there may be a ruling within the next two weeks that will establish a formal comment period. In the meantime, I would ask that you submit any questions or comments to Adam Langton (adam.langton@cpuc.ca.gov) at the CPUC until otherwise directed.

Additionally, the IOU leads will be discussing over the next week with the CPUC whether any work should continue prior to receiving a formal response on the report from the CPUC.

We look forward to working with you in this new year!

Thank you,

Chetna Nanjappa
