ADVICE LETTER 2322-E-A
(U902-E)

PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

**SUBJECT: PARTIAL SUPPLEMENTAL - MODIFICATION OF THE BUNDLED
PORTFOLIO SERVICE MINIMUM STAY PROVISION PURSUANT TO
DECISION 11-12-018**

San Diego Gas & Electric Company (SDG&E) hereby submits for approval the following revisions to its electric tariffs as shown in the enclosed Attachment A.

PURPOSE

This partial supplemental Advice Letter (AL) is being filed to submit Form 143-02760 and Form 143-02761. These forms were inadvertently omitted from SDG&E's AL 2322-E, filed on December 27, 2011. In addition SDG&E is also revising Sheets 3 and 8 of electric Rule 25.1, at the request of the Energy Division, to remove language that is no longer applicable. This filing revises SDG&E's electric Rule 25.1, Switching Exemption Rules pursuant to Decision (D.)11-12-018 to reduce the Bundled Portfolio Service (BPS) minimum stay requirement for Direct Access (DA) customers from three years to eighteen months.

TARIFF CHANGES

Rule 25.1, Switching Exemption Rules, Sheet 3:

In addition to changing the BPS minimum stay requirement for DA customers from three years to eighteen months; Section B.1.d. was also updated to eliminate the reference of DA-CRS customers being responsible for undercollections, as it is no longer applicable.

Rule 25.1, Switching Exemption Rules, Sheet 8:

In addition to changing the BPS minimum stay requirement for DA customers from three years to eighteen months; The proposed change to Section C.4.b.(10) has been revised to eliminate the reference to the "18-month commitment", since it did not apply during the initial Open Enrollment Window conducted in April 2010.

Forms 143-02760 and 143-02761

The BPS minimum stay requirement for DA customers was updated from three years to eighteen months pursuant to D.11-12-018.

EFFECTIVE DATE

SDG&E believes this filing is subject to Energy Division disposition and should be classified as Tier 1 (effective pending disposition) pursuant to GO 96-B. SDG&E respectfully requests that this filing become effective on January 10, 2012, the date filed, per D.11-12-018.

RULE 25.1

SWITCHING EXEMPTIONS

B. Bundled Portfolio Service (Continued)

1. (Continued)

- a. Customers electing this service make an 18-month commitment and will not be allowed to return to DA service until their 18-month minimum period has been completed. The 18-month minimum period will begin on the date the customer is switched to BPS after the conclusion of the six-month advance notice period as set forth in Section B.1.b of this tariff. With the exception of the one-time temporary waiver granted during the Open Enrollment Window, described in Section C.4, below, no premature departures from the 18-month commitment will be allowed.
- b. Customers must provide a six-month advance notice to SDG&E prior to becoming eligible for BPS so SDG&E can adjust its procurement activity to accommodate the additional load. Such notification will be made by the customer submitting a Six Month Notice to Return to Bundled Portfolio Service Form (Form 143-02761) in writing or electronically. SDG&E will provide the customer written confirmation and necessary switching process information within twenty (20) days of receipt of the customer's notification. Once received by SDG&E, customers will have a three business-day rescission period after which advance notifications cannot be cancelled. SDG&E will process requests to receive BPS in the following manner:
 - (1) Account transfers to BPS will be switched on the customer's next scheduled meter read date after the completion of the six-month advance notice period. For service accounts with meters that are incompatible with SDG&E's meter reading system, SDG&E will replace the incompatible meter with a meter that is acceptable to SDG&E. Such metering service will be done in accordance with Schedule NDA.
 - (2) SDG&E will initiate a DASR to transfer the account to BPS and will provide notification to the customer and ESP in accordance with Rule 25, Section E.7.
- c. During the six-month advance notice period before they become eligible for BPS, customers may either continue on DA service or return to bundled service and receive TBS pricing terms as set forth in Section A.4 of this tariff. SDG&E will process any DASR returning the customer to bundled service during the six-month advance notice period in accordance with Rule 25 and will provide bundled service to the customer at the TBS rate for the remainder, if any, of the six-month advance notice period. SDG&E will initiate the necessary transfer of the account to BPS at the conclusion of the six-month advance notice period with notification to the customer. The metering requirements of Section b (1) above will apply to such returns during the six-month advance notice period. Customers returning to bundled service during the six-month advance notice period (i.e., before the commencement of BPS) cannot return to DA service.
- d. Customers returning to DA service at the conclusion of their BPS term will retain their continuous DA status associated with Schedule DA-CRS, if applicable. As applicable, all DA customers are subject to the terms and conditions of Schedule DA-CRS.

RULE 25.1

SWITCHING EXEMPTIONS

C. Phase-in Period (Continued)

4. Enrollments During The Open Enrollment Window: (Continued)

b. Enrollment during the OEW will be as follows: (Continued)

(9) If a DASR is not received by SDG&E for an eligible service account listed on an accepted NOI by the end of the 60-calendar day period, the customer's NOI for that eligible service account will be void.

(10) Any service account not transferred to DA service for failure to submit a DASR within the 60-calendar day period will not be subject to a BPS commitment period as a result of such failure. This exception will apply only to service accounts listed on NOIs accepted during the OEW.

(11) If the 2010 Load Cap is reached during the OEW, SDG&E will stop accepting NOIs and will begin placing submitted NOIs on a wait-list on a first-come, first-served basis. The wait-list shall have a maximum capacity equal to twenty-five (25) percent of the 2010 Annual Limit as defined in Section C.2.a and shall be maintained until the last day of the OEW. Should any room under the 2010 Load Cap become available during the OEW as a result of voided NOIs, within one (1) business day of SDG&E's determination of any room becoming available, SDG&E will notify eligible customers on the wait-list by email of the acceptance of their NOIs. SDG&E will continue to issue such email notices, on a one (1) business day basis as SDG&E determines that room becomes available during the OEW, through the last day of the OEW. A customer coming off the OEW wait-list will have 60 calendar days from the date of SDG&E's notice of the NOI acceptance is sent to cause its ESP to submit a DASR for each eligible service account to SDG&E. If a DASR is not received by SDG&E by the end of the 60-calendar day period, the customer's NOI for that service account will be void, and the exception under Section C.4.b.(10) for the 18-month BPS commitment will apply. The wait-list will be terminated on the last day of the OEW. Any NOIs on the wait-list that were not accepted during the OEW will be void, and customers will be notified that they can begin submitting Six Month Notice To Transfer To Direct Access Service forms as early as July 16, 2010 to switch to DA in 2011. No wait-list will be used after the OEW.

(12) The OEW will close at 11:59 p.m. PDT on July 15, 2010. There will be no OEW in subsequent years of the Phase-in Period.

5. All LSEs that intend to serve load during 2011 will refile load forecasts for the 2011 RA compliance year on May 26, 2010. This revised forecast shall account both for customer migration up to that date, but also to forecast expected customer migration during the second phase of DA access that commences January 16, 2011. The updated load forecasts due by May 26, 2010 will be used by the Energy Division and California Energy Commission to develop Local RA obligations, inclusive of adjustments, as accurately as possible within the constraints of the 2011 RA filing cycle.

Six Month Notice To Transfer to Direct Access Service

This completed form notifies San Diego Gas & Electric (SDG&E) of your intent to transfer your service account(s) to Direct Access (DA) Service. Customers choosing to transfer to DA Service must provide a six-month advance notice to the utility. Within twenty (20) days of receipt, SDG&E will notify you of the status of your Six Month Notice To Transfer To Direct Service (Notice). If your Notice has been accepted, the confirmation from SDG&E will specify the date by which your Energy Service Provider (ESP) must submit a Direct Access Service Request (DASR) to SDG&E in order to transfer your service account(s) to DA service. This is important information that you will need to provide to your ESP to complete your request. This date is significant because if SDG&E does not receive a DASR by that date, your service account(s) will be switched to Transitional Bundled Service (TBS) for a period of up to sixty (60) days. This 60-day period provides an additional opportunity for your ESP to submit a DASR. If SDG&E does not receive a DASR by the end of the 60 day period, your Notice will be cancelled and your service account(s) will no longer be eligible for DA Service at that time. Your service account(s) will continue to bill under TBS for an additional six months. At the end of the six-month period under TBS, your service account(s) will be placed on Bundled Portfolio Service for a minimum eighteen (18) month commitment.

In the event the available annual load limit for transferring to DA Service for the current or subsequent phase-in year, if applicable, has been met at the time SDG&E receives your Notice, your Notice will be rejected and your service account(s) will not be eligible to transfer to DA Service.

Please consider this my notice to transfer the account(s) listed below to DA service, I understand the rules and conditions as set forth in SDG&E's Electric Rule 25.1¹. You have three (3) business days after SDG&E receives your advance notice to rescind and stay with bundled service. After the third business day, your election to transfer to DA service is irrevocable.
