Subject: March 2012 PDSR Template

Jason, Robert, and Junaid -

Attached please find the final template for the March 2012 PDSR, including the minor modifications we discussed at our meeting last Thursday.

<<...>>

As for negotiations status column, per my voicemail yesterday, we'd like to clarify and discuss what exactly the CPUC needs so we can best populate a column or give the most accurate information if a column isn't necessary. We've left it in the template for now as a placeholder in anticipation of a more clear definition. Please give me a call to discuss when you get a chance.

Thank you,
