Subject: RE: PG&E Gas Citation Proceeding - Additional items to enter into evidence

Ms. Bone – Thank you for your note. The typical procedure might be to file and serve a motion. To expedite matters, I will treat your note as a motion, including your representation that it is unopposed. CPSD’s unopposed motion is granted.

By March 1, 2012, please provide me with two paper copies of each document (an “original” for the formal file and one copy for me). (These copies are in addition to those that will be attached to CPSD’s Brief.) I will later circulate an Exhibit Index which I propose will identify and receive:

Exhibit 6	Documents submitted by PG&E to CPSD on December 30, 2011 (both the initial report and update), reporting the violations
Exhibit 7	Documents submitted by PG&E to CPSD on January 6, 2012, updating the report on the violations

Thank you.

Subject: PG&E Gas Citation Proceeding - Additional items to enter into evidence

ALJ Mattson: CPSD would like to enter the following documents into evidence in this proceeding:

1. The documents submitted by PG&E to CPSD on December 30, 2011 (both the initial report and the update), reporting the violations; and
2. The documents submitted by PG&E to CPSD on January 6, 2012, updating the report on the violations.

These documents are attached hereto, and will be attached to CPSD's Opening Brief filed today, grouped together as Attachments A and B.

PG&E's Counsel, Mr. Joseph Malkin has agreed on behalf of his client that these documents may be entered into evidence in this proceeding.

Please let me know, at your convenience, what further procedural steps would you like CPSD to take, if any, to make this happen.
