Subject: RE: PG&E Corporation News Release - PG&E CORPORATION ELECTS
VETERAN GAS EXECUTIVE FRED J. FOWLER TO BOARD OF DIRECTORS

Thanks. On another matter, as a part-time Sea Rancher you have an interest in better internet access/speed. One consideration here is running fiber on PG&E poles along Highway 1. The SR Utility Committee would like to discuss this with a knowledgeable and committed PG&E employee in order to get the cost down to a reasonable number. Would you find such a person and get me their vitals and then I will have a SR committee member call them.
