Subject: A.10-08-005 and A.10-02-028, Ruling Granting Request for Extension

To Service Lists in A.10-08-005 and A.10-02-028:

On February 15, 2012, PG&E sent a letter to the Commission's Executive Director requesting an extension of time to file briefs ordered in the February 7, 2012, Ruling of the Assigned Commissioner and Presiding Administrative Law Judges in A.10-02-028 and A.10-08-005. That ruling directs the parties a) to brief certain legal issues regarding PUC Section 745(d) and 739.9, b) to identify residential rate designs for each year from 2012 to 2020, and c) for PG&E to present certain information concerning implementation of Peak Time Rebate rate design. The ruling sets the due date for the opening briefing as March 1, 2012, and for the reply briefing as April 13, 2012.

PG&E, on behalf of itself and DRA, requests an extension of the due dates for this material to March 30, 2012 and an extension of the due date for replies to this material to April 26, 2012. PG&E cites the

press of business and the magnitude of the matters to be addressed in these filings as reasons for its request. PG&E states that it notified parties on the service list regarding its intention to request these extensions, and that no party has opposed the request or the new dates proposed.

Pursuant to Rule 16.6 of the Commission's Rules of Practice and Procedure, the Commission's Executive Director need respond only to "requests for extension of time to comply with a Commission decision or order". Here, parties seek additional time to respond to a Ruling of the Assigned Commissioner and Presiding Administrative Law Judges, not a decision or order of the full Commission. Therefore, PG&E's request has been referred to the assigned ALJ for a response.

It is ruled that concurrent opening briefs and responses to the questions listed in the February 7, 2012 Ruling shall be filed March 30, 2012, and concurrent reply briefs, as well as replies to the other information provided on March 30, shall be filed April 26, 2012.

Stephen C. Roscow
