Hi,

I briefly talked with Bob Finkelstein from TURN and he said they wouldn't block the testimony at all. I haven't talked to DRA yet. I'm in SG workshops through tomorrow.

So, we'll pick you up from the airport on Friday. What time are you coming in?

Thanks. Let me know how it goes. As soon as they see an independent third party, they won't support it if it means that we need to fix more things and spend more money.

Yes, but the decision is not being made... She asked that I bring together PG&E, DRA and TURN to the table to resolve it...

Where are we on the idea of having a third party review our gas, electric, generation and cyber security GRC filing ? We would like to file a motion.
