Subject: Draft Panel Discussion Notes and List of Confirmed Attendees

Nick,

I incorporated the questions that you provided me into the attached draft. Please take a look at the notes and let me know any further comments. My plan is to submit to the Moderator our "suggested" Panel Discussion Notes which he could (subject to his edits) use to prepare the panelist in advance of the reception.

If possible, please let me know any further comments by end of day today.

For your information I have included a list of the attendees that have thus far confirmed.

The enthusiasm among the Wall Street community has been great and it is my goal that this reception be helpful to enhancing the capital markets prospects for California's investor owned utilities.

Regards,

Cliff
