Subject: PG&E Proposal re GRC Consultants

Dear Brian,
Marzia Zafar has asked for our input regarding PG&E's proposal to hire consultants for an independent evaluation(s) of its safety and security proposals to be presented in its next GRC. We'd like to meet with you to discuss the details of this proposal. Also, I'd like to touchbase with you regarding a proposal that PG&E and the City of Fresno regarding an economic development rate. Stephen Morrison discussed the idea with me and I'd like to follow up with you.

Please let me know of your availability.

Linda
