Sorry folks, but I'd like Mark Pocta to join the GRC discussion and he's out this week. How about Monday - open times include 10:30am - Noon or 2 - 3:30. Or, Wednesday after 2pm works.

[Red] it probably would be best to discuss Econ Dev. and the GRC issues separately as I'd like a couple of my rate design folks to join us for the Econ Dev discussion.

How about 1/2 hour - this Thursday - sometime between 2-4pm. Or, perhaps Friday will work if Shelly does not need to be part of this discussion.

Linda: Do you still want to go over both issues (ED and GRC related issues)? [Redacted]

Linda - I'm out this week. However, Shelly and [Red] would be happy to meet with you this week on the GRC and Fresno rate respectively. Otherwise, it will need to be next week sometime

Dear Brian,

Marzia Zafar has asked for our input regarding PG&E's proposal to hire consultants for an independent evaluation(s) of its safety and security proposals to be presented in its next GRC. We'd like to meet with you to discuss the details of this proposal. Also, I'd like to touchbase with you regarding a proposal that PG&E and the City of Fresno regarding an economic development rate. Stephen Morrison discussed the idea with me and I'd like to follow up with you.

Please let me know of your availability.

Linda
