Subject: Notice: Draft research plan posted for comment - Commercial Market Share Tracking (CMST) and Commercial Saturation Survey (CSS) (Work Order 024)

Subject: Notice: Draft research plan posted for comment – Commercial Market Share Tracking (CMST) and Commercial Saturation Survey (CSS) (Work Order 024)

Greetings,

This notice is being sent to the Service Lists for CPUC proceedings A.08-07-021 and R.09-11-014. Apologies for any duplications.

The draft research plan for the Commercial Market Share Tracking and Commercial Saturation Survey (Work Order 024) has been posted at:

<http://www.energydataweb.com/cpuc/home.aspx>

The draft research plan can be found by clicking on the search tab at the top of the home page, then selecting either "(024-KEMA Inc.) Commercial Saturation Survey & Market Share Tracking Study" or "(024-Itron) Commercial Saturation Survey & Market Share Tracking

Study"\* in the Work Order drop-down. The title of the document is **Commercial Market Share Tracking and Commercial Saturation Survey Research Plan (Draft)**. Please contact [valerie.kao@cpuc.ca.gov](mailto:valerie.kao@cpuc.ca.gov) if you have any issues with retrieving the document.

It is not necessary to register or log in to retrieve the document. However, registration/logging in is required to submit comments and to be placed on the mailing list for future notifications regarding this study. **PLEASE NOTE: FUTURE NOTICES WILL BE SENT TO THE MAILING LIST AND NOT TO THE SERVICE LISTS.**

**To be placed on the mailing list**, after logging in and locating the document, check the box titled "My Documents." This will add your email address to the mailing list.

**To add a comment**, log in and click the "comment" button. This will take you to a comment page. Comments should be submitted as a word document attachment; specific (as opposed to overarching) comments should be provided in a format that identifies the plan section and paragraph (and any more specific identifier as appropriate).

**Comments on the draft plan may be submitted until February 22, 2012.** Energy Division will consider all comments but may elect not to post responses.

\*As of 2/9/12, there is no option to select "(024-Itron) Commercial Saturation Survey & Market Share Tracking Study"; we are working with the website manager to resolve this issue. In the meantime please select the "(024-KEMA Inc.) Commercial Saturation Survey & Market Share Tracking Study" option to access the document.
