So he has fooled you as well? How do you think he has survived at PG&E for the past 52 years?

I believe Mr. Clanon's email message, while intemperate and sophomoric, qualifies as privileged under the common law. I am referring, of course, to the "could prove embarrassing" privilege. So, I don't think it will be admissible in the Ninth Circuit.

As for the "evil genius" suggestion, I have never heard anyone refer to Tom Bottorff either as evil or as a genius.

Hey, where is the picture of Cherry at the controls of the mothership at 77 Beale carrying out the orders of the evil genius, aka, "The Man Behind the Curtain", Tom Bottorff?

We are also taking odds whether this map ends up as Exhibit A in Jewell Hargelroad's next filing in the 9th Circuit for her client, Chabot College.
