I've brought in more competent legal representation to help defend Oakley.

But you do to shut Oakley!

Paul--who is representing the Commission?

Oh, I didn't think we needed to go to court to shut Sutter.

52 dammit. Now I understand why you tried to file our Sutter opposition in the 10th Circuit.

So he has fooled you as well? How do you think he has survived at

PG&E for the past 52 years?

I believe Mr. Clanon's email message, while intemperate and sophomoric, qualifies as privileged under the common law. I am

referring, of course, to the "could prove embarrassing" privilege.

So, I don't think it will be admissible in the Ninth Circuit.

As for the "evil genius" suggestion, I have never heard anyone refer

to Tom Bottorff either as evil or as a genius.

Hey, where is the picture of Cherry at the controls of the mothership

at

77 Beale carrying out the orders of the evil genius, aka, "The Man

Behind the Curtain", Tom Bottorff?

We are also taking odds whether this map ends up as Exhibit A
in

Jewell Hargelroad's next filing in the 9th Circuit for her client,
Chabot College.
