Subject: RE: PG&E's March 1 Rate Change Advice Letter

Dan, someone in my section will likely review AL 3994-E. What is the purpose of the follow up conference call?

I do not know what section in Energy Division will handle the SM Opt Out.

Don: Last week we called to give you a heads up with regard to our advice letter for the March 1 rate change (3994-E). We would like an opportunity to discuss it in a bit more detail. Don, will you be reviewing that filing? If so, would it be possible to conference on Monday?

Also, if the SM Opt Out decision comes out today, do you know who will be handling the advice letters for ED?

Thanks, [Redacted]
