Subject: INFORMATION: 2/10/12 Submetering Protocol Project Team All Hands -  
Roadmap Report Clarifications

Hello project team members,

The CPUC issued a ruling this week regarding the IOUs Submetering Roadmap Report, dated January 3, 2012. To help all parties prepare their formal comments, the CPUC has scheduled an all-hands submetering protocol meeting on Friday February 10, 2012 from 10 am to 12 pm (PST). The CPUC Energy Division will moderate the conference call to discuss the Joint Utility Submetering Roadmap Report. CPUC staff and parties will have the opportunity to ask questions and offer feedback on the report. CPUC staff will also discuss next steps related to the report.

The invitation was sent to everyone on the AFV OIR service list. Since a number of 3rd party participants are not on the service list, the CPUC asked the IOUs to extend a meeting invitation to all participants. Adam Langton (CPUC Energy Division) noted that since the ruling document is a public document, anyone can download it once it is published on the CPUC website. However, for you to submit formal comments, you have to be an official party on the AFV OIR service list. Fortunately, you can request to be added to the list at the time you submit comments.

We are looking forward to your attendance at this meeting. Please pass this along to others that may want to join.

***PLEASE NOTE: There is no meeting invite, please mark your calendars with this information.***
