Re: Agreement to Extension of Suspension of Advice Letter 3910-E

Dear Mr. Randolph:

Pursuant to the Commission's General Order 96-B, Rule 7.5.2, Pacific Gas and Electric Company (PG&E) agrees to an extension of 60 days to the original suspension of Advice Letter (AL) 3910-E, until April 4, 2012.

PG&E's Advice Letter 3910-E was filed on September 26, 2011, in compliance with Ordering Paragraph (OP) 2 of Decision (D.) 11-07-02 in Phase 2 of the Electric Vehicles Order Instituting Rulemaking (R.)09-08-009. On October 7, 2011, the Energy Division suspended AL 3910-E for 120 days for additional staff review. The initial suspension is scheduled to end on February 3, 2012.

Due to the complexity of the issues involved, PG&E agrees to an extension of the initial suspension period to April 4, 2012.

Thank you for your consideration.

Sincerely,

A handwritten signature in cursive script that reads "Brian Cherry" followed by a date "2/3/12".
