Hi Jason,

I've discussed with Gary. We will present at the next PRG and will not execute prior to that meeting. I also conveyed the concerns. I will let you know the date of the PRG meeting.

Thanks,

Meredith

Hi Meredith,

Hope all is well. The CPUC does not want PG&E executing this contract before it is discussed at the next PRG. We understand that a term sheet has been sent to the developer but an amended PPA as of now has not been executed. If you have any questions about this please feel free to give me a call.

Kind Regards,

Jason
