While we all can agree to disagree on things, using such material in a formal pleading is not only a serious breach of protocol, but it trivializes the judicial process. In almost any other courtroom, the lawyers would be held in contempt by the judge.

PRIV AND CONFID.

First rehearing application on Opt Out decision, from Michael Boyd of CARE. No new or significant legal issues, but colorful rhetoric. If we so choose, we can file a nominal reply to the rehearing application within 15 days. Please advise if you would like us to do so and we would circulate a short reply for your approval.
