Subject: Transition

Hello,

I hope you are doing well. I met many of you during my tenure as a Commissioner with the California Public Utilities Commission (2005-2010) or during my time since then as a partner with the international law firm of Morrison & Foerster. I want to update you on my upcoming transition.

I will be leaving Morrison & Foerster effective March 2. The firm has been great but I have decided I want to focus again on broader public policy issues in addition to continuing to assist clients in understanding and navigating the energy regulatory structure. I also plan to expand my board and advisory committee participation.

I can be reached at:

Energy is a world wide activity that crosses not only state boundaries here in the United States but national boundaries as well. Thus, I will continue to focus on not only California but also U.S. and international energy issues and assistance.

I look forward to this next step and please contact me if your travels bring you to San Francisco or if I can assist in any way.

Best regards,
Dian
