I may have spoken too soon. Just saw a note from Assm Hill's office who noted [Redacted] address as: [Redacted].

Assm Hill's staff shared that level of detail with Julie Halligan who was also looking into the situation.

I do not but have added [Redacted] from our Customer Care group who was also in attendance at the town hall event who may have contact information for him.

Hi Kent,

I understand you may have contact information for a Redacted of East Palo Alto who expressed concern about the gas piping system at the Palo Mobile Estates mobile home park during a community meeting last week?

Please send me his contact info if you have it.

Thanks,
