Advice 3893-E-A
(Pacific Gas and Electric Company ID U39 E)

Public Utilities Commission of the State of California

**Subject: Supplemental Filing to the Power Purchase Agreement for
Procurement of Renewable Energy Resources Between Shiloh IV Wind
Project, LLC, and Pacific Gas and Electric Company**

I. INTRODUCTION

A. Purpose

Pacific Gas and Electric Company (“PG&E”) hereby submits to the California Public Utilities Commission (“Commission” or “CPUC”) this supplemental filing to Advice Letter 3893-E (“Advice Letter”). The Advice Letter requested approval of a 25-year Renewables Portfolio Standard (“RPS”) Purchase Power Agreement (“PPA”) between Shiloh IV Wind Project, LLC (“Shiloh IV”), a subsidiary of enXco Development Corporation (“enXco”), and PG&E. The Advice Letter also sought Commission approval of modifications (“QF Modifications”) to three existing Qualifying Facility (“QF”) Standard Offer #4 PPAs for projects owned and operated by enXco Windfarm V, Inc., another subsidiary of enXco. The advice letter seeking approval of the PPA and the QF Modifications was filed on August 18, 2011.

The purpose of this filing is to withdraw from Commission consideration in Advice Letter 3893-E one of the QF Modifications, the extension of an existing QF contract in order to permit it to be considered in a separate proceeding. Since the extension sought exceeds five years, it may not be approved by the Advice Letter process, but will need to be approved through a separate Application according to Decision (“D.”) 06-12-009.¹

PG&E has also amended the Shiloh IV PPA and the remaining two QF Modifications. These amendments make corresponding changes to the PPA and the remaining two QF Modifications to provide that their effectiveness is no longer tied to Commission approval of the extension of the existing QF contract. Thus, PG&E no longer seeks

¹ See D.06-12-009 at 7.

Commission Approval of all four agreements in the Advice Letter, but only seeks Approval of the Shiloh IV PPA, the Amendment to QF contract Log Number 06W146C, and the Termination of QF contract Log Number 01W146C, as amended by the amendments to these agreements attached as Confidential Appendices B, C, and D.

**DECLARATION OF CARLOS ABREU
SEEKING CONFIDENTIAL TREATMENT
FOR CERTAIN DATA AND INFORMATION CONTAINED IN
ADVICE LETTER 3893-E-A
(PACIFIC GAS AND ELECTRIC COMPANY - U 39 E)**

I, Carlos Abreu, declare:

1. I am presently employed by Pacific Gas and Electric Company (“PG&E”), and have been an employee at PG&E since 2006. My current title is Principal within PG&E’s Energy Procurement organization. In this position, my responsibilities include negotiating PG&E’s Renewables Portfolio Standard Program (“RPS”) Power Purchase Agreements. In carrying out these responsibilities, I have acquired knowledge of PG&E’s contracts with numerous counterparties and have also gained knowledge of the operations of electricity sellers in general. Through this experience, I have become familiar with the type of information that would affect the negotiating positions of electricity sellers with respect to price and other terms, as well as with the type of information that such sellers consider confidential and proprietary.

2. Based on my knowledge and experience, and in accordance with Decision (“D”) 08-04-023 and the August 22, 2006 “Administrative Law Judge’s Ruling Clarifying Interim Procedures for Complying with Decision 06-06-066,” I make this declaration seeking confidential treatment of Appendices A, B, c, and D to PG&E’s Advice Letter 3893-E-A, submitted on February 3, 2012.

3. Attached to this declaration is a matrix identifying the data and information for which PG&E is seeking confidential treatment. The matrix specifies that the material PG&E is seeking to protect constitutes the particular type of data and information listed in Appendix 1 of D.06-06-066 and Appendix C of D.08-04-023 (the “IOU Matrix”), or constitutes information that should be protected under General Order 66-C. The matrix also specifies the category or

categories in the IOU Matrix to which the data and information corresponds, if applicable, and why confidential protection is justified. Finally, the matrix specifies that: (1) PG&E is complying with the limitations specified in the IOU Matrix for that type of data or information, if applicable; (2) the information is not already public; and (3) the data cannot be aggregated, redacted, summarized or otherwise protected in a way that allows partial disclosure. By this reference, I am incorporating into this declaration all of the explanatory text in the attached matrix.

I declare under penalty of perjury, under the laws of the State of California, that to the best of my knowledge, the foregoing is true and correct. Executed on February 3, 2012 at San Francisco, California.
