Hi Jason

I had understood that what I provided was in the new excel template ED had discussed previously with Chad's group. Just so I understand, you would like the information from the previous Word template, but converted to excel?

Feel free to give me a call if it's easier to discuss over phone.

Thanks,

Redacted

Meredith,

Let's push off the call if nothing is prepared. If your team has not put together project summaries using a new excel template, as was discussed a number of months ago, with essentially the same information, then we will reschedule for later in the month. The use of the old

template is fine. A staff proposal in the RPS Plan will be included to have IOUs work with the CPUC to develop a new monthly reporting template.

Thanks
