I like your suggestion of using the updated data if that works for you. Let me know when you are ready and we can then coordinate a walk through. Thanks!

Hello [Redacted]

I will make sure to add the new information to the existing data set for PGE.

Additionally, did you want to discuss the figures in the Report to the Legislature before I re-run the data? Or would you like to wait for me to amend the data, so we can review the figures from the Leg Report, as well as any changes resulting from the new data, in one fell swoop? Please advise.

Thanks,
