All-Party Workshop
Resolution ALJ-274

RE: Workshop for the Refinement of Citation Procedures – Natural Gas Safety

Dear Interested Party:

As recommended in the body of Resolution ALJ-274, the Consumer Protection and Safety Division (CPSD) will be hosting an All-Party workshop to discuss and define details for the implementation of the Citation Program for violations by Gas Corporations of General Order 112-E. The workshop is scheduled to begin at 9:00 AM on Tuesday, March 27, 2012 in the Courtyard Room of the CPUC building located at 505 Van Ness Ave., in San Francisco.

The purpose of the workshop is to discuss CPSD's procedures for implementing the requirements of Resolution ALJ-274 and allow parties to offer their comments and recommendations on how these procedures could be improved to streamline the citation process and to assure that it equitably and consistently continues to assure the safety and confidence of the public. In order to improve the effectiveness of the workshop, as much as possible, CPSD suggests that parties base their comments and recommendations more on actual experiences, thus far, rather than a general, qualitative, assessment of the process. CPSD will provide all parties with a copy of its procedures and an agenda for the workshop no less than 10 days prior to the workshop.

Please let CPSD know, no later than March 9, 2012, if you are interested in attending the workshop. All inquiries can be directed to Kevin Boles at (415) 703-1353; kcb@cpuc.ca.gov.

Very truly yours,

A handwritten signature in cursive script that reads "Michelle Cooke".
