RE: Withdrawal of SDG&E Advice Letter 2211-E

Dear Mr. Gatchalian:

On December 1, 2010, San Diego Gas & Electric Company (“SDG&E”) filed Advice Letter 2211-E with the California Public Utilities Commission’s (“CPUC’s”) Energy Division. Advice Letter 2211-E requested CPUC approval of the Implementation and Administration Details for SDG&E’s Power Purchase Agreement Solar PV Program.

Pursuant to D.12-02-002, SDG&E’s obligation to procure 74 MWs of solar capacity through Power Purchase Agreements under the Solar Energy Project (“SEP”) has been merged with SDG&E’s Renewable Auction Mechanism (“RAM”) and as such, SDG&E is requesting the withdrawal of AL 2211-E.

Should you have any questions, please contact me.

Sincerely,

CLAY FABER
Director - Regulatory Affairs
